ART AND ARTIST'S  
2nd National Level Online Art Exhibition  
THE DARK HORSE, 2021

**Dr. Sanjeev Chetan**

Lecturer (Art Education) , S.C.E.R.T. Uttarakhand,  
Dehradun

It's a matter of great happiness that young artist Mr. Abanindra Kar has taken a crucial step for the development of art and artists. He has started a publication of a magazine, which will cover all the activities related to Visual art and will also give a platform to all the young artists. Through this magazine, we will be able to read about art related movements , about the artist and their struggles.

Developing an art magazine is a risky task, especially for artists because it has few readers.. But I have complete faith that Mr. Abanindra Kar will do this task well and with confidence.

I extend my heartiest congratulations to the organizers of 2nd National Level Online Art Exhibition " The Dark Horse " 2021.

Congratulating all the Awardees, Slection Committe & all Jury for the best of results.

Best Wishes  
Dr. Sanjeev Chetan

It was very difficult for me as a jury member to shortlist the art works. And finally we have selected the best work . Congratulating all the winners and wishing all the best to all Participants.
